

Table 22
 West Virginia Hospitals - General Acute, Critical Access
 July 2010 - June 2013 Readmission and Mortality Information

Hospital Name	Condition	Comparison with National 30-Day Measure	
		Death (Mortality) Rates	Readmission Rates
General Acute Care Hospitals			
Beckley ARH	Heart Attack	No Different	Number of Cases Too Small
Beckley ARH	Heart Failure	No Different	No Different
Beckley ARH	Pneumonia	No Different	No Different
Beckley ARH	Stroke	No Different	No Different
Berkeley Medical	Heart Attack	No Different	No Different
Berkeley Medical	Heart Failure	No Different	No Different
Berkeley Medical	Pneumonia	No Different	No Different
Berkeley Medical	Stroke	No Different	No Different
Bluefield Regional	Heart Attack	No Different	No Different
Bluefield Regional	Heart Failure	No Different	No Different
Bluefield Regional	Pneumonia	No Different	No Different
Bluefield Regional	Stroke	No Different	No Different
Cabell Huntington	Heart Attack	No Different	No Different
Cabell Huntington	Heart Failure	Worse	No Different
Cabell Huntington	Pneumonia	No Different	No Different
Cabell Huntington	Stroke	No Different	No Different
CAMC	Heart Attack	No Different	No Different
CAMC	Heart Failure	Better	No Different
CAMC	Pneumonia	No Different	No Different
CAMC	Stroke	No Different	No Different
Camden-Clark Medical Center	Heart Attack	No Different	No Different
Camden-Clark Medical Center	Heart Failure	No Different	Worse
Camden-Clark Medical Center	Pneumonia	Worse	No Different
Camden-Clark Medical Center	Stroke	No Different	No Different
Davis Memorial	Heart Attack	No Different	No Different
Davis Memorial	Heart Failure	No Different	No Different
Davis Memorial	Pneumonia	No Different	No Different
Davis Memorial	Stroke	No Different	No Different
Fairmont General	Heart Attack	No Different	No Different
Fairmont General	Heart Failure	No Different	No Different
Fairmont General	Pneumonia	No Different	No Different
Fairmont General	Stroke	No Different	No Different
Greenbrier Valley	Heart Attack	No Different	No Different
Greenbrier Valley	Heart Failure	No Different	No Different
Greenbrier Valley	Pneumonia	No Different	No Different
Greenbrier Valley	Stroke	No Different	No Different
Logan Regional	Heart Attack	No Different	No Different
Logan Regional	Heart Failure	No Different	Worse
Logan Regional	Pneumonia	No Different	Worse
Logan Regional	Stroke	No Different	No Different
Monongalia General	Heart Attack	No Different	No Different
Monongalia General	Heart Failure	No Different	No Different
Monongalia General	Pneumonia	No Different	No Different
Monongalia General	Stroke	No Different	No Different
Ohio Valley	Heart Attack	No Different	No Different
Ohio Valley	Heart Failure	No Different	No Different
Ohio Valley	Pneumonia	No Different	No Different
Ohio Valley	Stroke	No Different	No Different
Pleasant Valley	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Pleasant Valley	Heart Failure	No Different	No Different
Pleasant Valley	Pneumonia	No Different	No Different
Pleasant Valley	Stroke	No Different	No Different
Princeton	Heart Attack	No Different	No Different
Princeton	Heart Failure	No Different	No Different
Princeton	Pneumonia	No Different	No Different
Princeton	Stroke	No Different	No Different
Raleigh General	Heart Attack	No Different	Worse
Raleigh General	Heart Failure	No Different	No Different
Raleigh General	Pneumonia	No Different	Worse
Raleigh General	Stroke	No Different	Worse

Table 22
 West Virginia Hospitals - General Acute, Critical Access
 July 2010 - June 2013 Readmission and Mortality Information

Hospital Name	Condition	Comparison with National 30-Day Measure	
		Death (Mortality) Rates	Readmission Rates
Reynolds Memorial	Heart Attack	No Different	No Different
Reynolds Memorial	Heart Failure	No Different	No Different
Reynolds Memorial	Pneumonia	No Different	No Different
Reynolds Memorial	Stroke	No Different	No Different
St Francis	Heart Attack	No Different	No Different
St Francis	Heart Failure	No Different	No Different
St Francis	Pneumonia	No Different	No Different
St Francis	Stroke	No Different	No Different
St. Joseph's (B)	Heart Attack	Data Not Available	Data Not Available
St. Joseph's (B)	Heart Failure	Data Not Available	Data Not Available
St. Joseph's (B)	Pneumonia	Data Not Available	Data Not Available
St. Joseph's (B)	Stroke	Data Not Available	Data Not Available
St Mary's	Heart Attack	Better	No Different
St Mary's	Heart Failure	No Different	No Different
St Mary's	Pneumonia	No Different	No Different
St Mary's	Stroke	Worse	No Different
Stonewall Jackson	Heart Attack	No Different	Number of Cases Too Small
Stonewall Jackson	Heart Failure	No Different	No Different
Stonewall Jackson	Pneumonia	No Different	Worse
Stonewall Jackson	Stroke	No Different	No Different
Summersville	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Summersville	Heart Failure	No Different	No Different
Summersville	Pneumonia	No Different	No Different
Summersville	Stroke	No Different	No Different
Thomas Memorial	Heart Attack	No Different	No Different
Thomas Memorial	Heart Failure	No Different	No Different
Thomas Memorial	Pneumonia	Worse	No Different
Thomas Memorial	Stroke	No Different	No Different
United Hospital	Heart Attack	No Different	No Different
United Hospital	Heart Failure	No Different	No Different
United Hospital	Pneumonia	No Different	No Different
United Hospital	Stroke	No Different	No Different
Weirton Medical	Heart Attack	No Different	No Different
Weirton Medical	Heart Failure	No Different	No Different
Weirton Medical	Pneumonia	Better	No Different
Weirton Medical	Stroke	No Different	No Different
Welch Community	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Welch Community	Heart Failure	Number of Cases Too Small	Number of Cases Too Small
Welch Community	Pneumonia	No Different	No Different
Welch Community	Stroke	Number of Cases Too Small	Number of Cases Too Small
Wetzel County	Heart Attack	No Different	Number of Cases Too Small
Wetzel County	Heart Failure	No Different	No Different
Wetzel County	Pneumonia	No Different	No Different
Wetzel County	Stroke	No Different	No Different
Wheeling	Heart Attack	No Different	No Different
Wheeling	Heart Failure	No Different	No Different
Wheeling	Pneumonia	Worse	Worse
Wheeling	Stroke	Worse	No Different
Williamson	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Williamson	Heart Failure	No Different	No Different
Williamson	Pneumonia	No Different	No Different
Williamson	Stroke	Number of Cases Too Small	Number of Cases Too Small
WVU Hospitals	Heart Attack	Worse	No Different
WVU Hospitals	Heart Failure	No Different	Worse
WVU Hospitals	Pneumonia	No Different	Worse
WVU Hospitals	Stroke	Worse	Worse

Table 22
 West Virginia Hospitals - General Acute, Critical Access
 July 2010 - June 2013 Readmission and Mortality Information

Hospital Name	Condition	Comparison with National 30-Day Measure	
		Death (Mortality) Rates	Readmission Rates
Critical Access Hospitals			
Boone Memorial	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Boone Memorial	Heart Failure	No Different	No Different
Boone Memorial	Pneumonia	No Different	No Different
Boone Memorial	Stroke	Number of Cases Too Small	Number of Cases Too Small
Braxton County	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Braxton County	Heart Failure	Number of Cases Too Small	No Different
Braxton County	Pneumonia	No Different	No Different
Braxton County	Stroke	Number of Cases Too Small	Number of Cases Too Small
Broadus	Heart Attack	Number of Cases Too Small	Data Not Available
Broadus	Heart Failure	Number of Cases Too Small	Number of Cases Too Small
Broadus	Pneumonia	No Different	No Different
Broadus	Stroke	Number of Cases Too Small	Number of Cases Too Small
Grafton City	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Grafton City	Heart Failure	Number of Cases Too Small	No Different
Grafton City	Pneumonia	No Different	No Different
Grafton City	Stroke	Number of Cases Too Small	Number of Cases Too Small
Grant Memorial	Heart Attack	No Different	Number of Cases Too Small
Grant Memorial	Heart Failure	No Different	No Different
Grant Memorial	Pneumonia	No Different	No Different
Grant Memorial	Stroke	No Different	Number of Cases Too Small
Hampshire	Heart Attack	Number of Cases Too Small	Data Not Available
Hampshire	Heart Failure	No Different	No Different
Hampshire	Pneumonia	No Different	No Different
Hampshire	Stroke	Number of Cases Too Small	Number of Cases Too Small
Jackson General	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Jackson General	Heart Failure	No Different	No Different
Jackson General	Pneumonia	No Different	No Different
Jackson General	Stroke	No Different	No Different
Jefferson	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Jefferson	Heart Failure	No Different	No Different
Jefferson	Pneumonia	No Different	No Different
Jefferson	Stroke	Number of Cases Too Small	Number of Cases Too Small
Minnie Hamilton	Heart Attack	Number of Cases Too Small	Data Not Available
Minnie Hamilton	Heart Failure	Number of Cases Too Small	No Different
Minnie Hamilton	Pneumonia	No Different	No Different
Minnie Hamilton	Stroke	Number of Cases Too Small	Number of Cases Too Small
Montgomery	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Montgomery	Heart Failure	No Different	No Different
Montgomery	Pneumonia	No Different	No Different
Montgomery	Stroke	Number of Cases Too Small	Number of Cases Too Small
Morgan County War	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Morgan County War	Heart Failure	No Different	No Different
Morgan County War	Pneumonia	No Different	No Different
Morgan County War	Stroke	Number of Cases Too Small	Number of Cases Too Small
Plateau Medical	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Plateau Medical	Heart Failure	No Different	No Different
Plateau Medical	Pneumonia	Worse	No Different
Plateau Medical	Stroke	No Different	No Different
